

Michigan Childhood Immunization Registry

MCIR benefits health care organizations, schools, licensed childcare programs, and Michigan's citizens by consolidating immunization information from multiple providers. This reduces vaccine-preventable diseases, over-vaccination, and allows providers to see up-to-date patient immunization history.

MCIR also has the ability to assist with pandemic flu preparedness and can track vaccines and medications during a public health emergency.

Dear Parent,

We are a participating MCIR reporting provider. The state run organization maintains immunization records for children in the state of Michigan. In order to send this information accurately we require the following information:

Patient Name: _____ DOB: _____

Address: _____

City/State/Zip _____

County of Residence: _____

Mother's Maiden Name: _____

Mother's Name: _____

Mother's SSN: _____

Father's Name: _____

Father's SSN: _____

Birth Order (circle one) 1 2 3 4 5 6 7 8 9 10

Birth Facility: _____

Birth State and Country: _____

Thank You for Your Assistance
